Animals: _____ Dates: _____

The price of the hunt is _____ with a 30% deposit of _____

Non-Resident Hunting Preservation Fund, payable to the APHA \$150

A total of 50% will be due by January 1st prior to the hunt. The balance will be due 60 days prior to the commencement of the hunt. If it is necessary to cancel a hunt, client must give one year notice prior to the beginning dates of your hunt. Failure to do so will result in forfeiture of all deposits, unless client is able to find a replacement hunter. If you give a one year notice of cancellation, 90% of all deposits will be refunded or 100% of all deposits applied to a future hunt. Trip insurance is recommended. There will be no refund or compensation to the client if he or she arrives for the hunt late or departs before the end of the hunt.

Upon arrival at the lodge, included in the hunt are food, all camp equipment, boats, guide, lodging, field preparation of meat and trophies, and all transportation during the hunt, and all private and federal land use fees. Not included are hunting/fishing licenses, big game tags, or the cost of air taxi services to and from the lodge, meat processing or shipping of trophies. We will however help with arrangements for your shipping of trophies and make all arrangements for air taxi service for to and from the lodge.

We are well qualified and experienced, but as a sportsman, you will understand that there can be no guarantee that you will secure the trophy you are seeking. There are a great many variables, some of which, like weather, are simply beyond human control. To a larger extent, your success is dependent on your mental attitude, physical ability and preparation. If you have read the above, and agree with these conditions, please fill in the contact information, sign and date at the bottom, and return this agreement to Litzen Guide Service at the address below with the deposit and NRHPF fee.
